Subject: I will not support any legislator who votes for this unnecessary mid-decade redistricting.

I am writing to express my firm opposition to the current mid-decade redistricting proposal being advanced in the Texas Legislature at the behest of former President Trump, which seeks to create up to five new Republican-leaning congressional districts.

This proposal bypasses the traditional once-in-a-decade redistricting standard and appears designed to preserve partisan advantage—not serve the people.

It targets districts with significant minority populations and introduces serious Voting Rights Act concerns, undercutting principles of fair representation.

A recent poll found that 63 percent of likely voters believe this redistricting

is unnecessary and mistrust
its motives.

This move diverts
legislative focus from
urgent issues—like flood
recovery—and risks eroding
public trust in our
democratic institutions.

Let me be crystal clear: as
a voter, I have options. If
you support or vote for this
plan, I will withhold my
vote this election, and I
will encourage others in my
community to do the same.
Our democratic system
depends on fair maps drawn
with integrity—not political
manipulation.

There is no compelling
public need or legal
justification for this plan—
only partisan gain. I urge
you to oppose this
redistricting, stand for
voter equity, and show your
constituents you prioritize
principle over power.
