Message:

I have lived in Texas throughout my life for about 20 years. I very strongly oppose any redistricting in and around my city, as well as anywhere in the great state of Texas that may favor the Republican Party. Every Texan regardless of where they live, deserve to have their voice heard. It is the one job of our representatives to serve us. It is our right as citizens of this republic to elect officials who reflect our ideals, share our morals, and represent our ideologies. If these representatives cannot align themselves with the needs and desires of the public which they serve, then those elected officials need to remove themselves from the occupation of public service, and NOT redraw district lines making it so the public cannot simply vote them out. It's unethical and immoral, let alone UN AMERICAN.
