Message:

I am a 3rd generation Texan-Mexican-American  
I very strongly oppose any redistricting  
anywhere in state of Texas that may favor the  
Republican Party. Every Texan regardless of  
where they live, deserve to have their voice  
heard. It is the one job of our representatives to  
serve us. It is our right as citizens of this  
republic to elect officials who reflect our ideals,  
share our morals, and represent our ideologies.  
If these representatives cannot align  
themselves with the needs and desires of the  
public which they serve, then those elected  
officials need to remove themselves from the  
occupation of public service, and NOT redraw  
district lines making it so the public cannot  
simply vote them out. We the people give them  
the power, not the other way around. If the  
republicans choose to move forward with their  
plans to gerrymander districts who have likely  
already been gerrymandered then they should  
prepare themselves for a FIGHT. Residents of  
this state will NOT stand for this. It's unethical  
and it un-American.
