Message:

I can neither condone or support such an obvious bipartisan attempt to take over the government. It has become plain to me that asking, pleading or appealing to any remaining regard for Humanity is to no avail. Therefore I stand in resistance to this action and in solidarity with all who are fighting to regain sanity and balance in our government. God help us to bring about the changes needed to preserve the country's foundation and rid us of the current regime and all who bow the knee to and kiss the ring of bullies and fascists.
