Message:  
Redistricting Committee,

This mid-decade redistricting is not normal. It's a calculated, anti-democratic power grab.  
It is short sighted political manipulation over the very real needs of Texans needing disaster relief.

As the Trump federal government chooses to close disaster aid, we on the state level must step up.

Be the leaders you need to be for the people of Texas rather than the pawns of the Trump Republican Party.

Sincerely,  
Monica Moen
