Message:

The redrawing of maps to accommodate the elimination of voices- voices that deserve to be heard, is undemocratic. Texas does not belong to the GOP, it belongs to TEXANS. We have had to live and suffer with the consequences of Greg Abbot's policies being rammed down our throats. Stop trying to silence Texans! Catering to the wealthy and ignoring the voices of the constituents of your state is harming Texans. Let us VOTE and let us be HEARD... why worry about upcoming elections if the GOP has such "popular" policies? NO MORE GERRYMANDERING.
