Message:

Dear Committee Members,

I entreat you to give up this misguided effort to further mess with redrawing Texas's congressional district map. Be bold! Do the right thing! Don't bow to President Trump. He is messing with Texas.

There are too many elected officials and institutions throughout our country who are doing destructive things to themselves or the people they represent out of fear of his wrath. Push back. Tell the President you won't further divide our state, this House, and the voters for his benefit.

You have real work to do for our state.

Please serve the people who elected you. The president doesn't care about our real issues. We need you to care.

Thank you.

Nancy Springer-Baldwin
