Message:

No person is "entitled" to my vote. My vote is mine only and to be given to those whom I see fit. YOU are supposed to be a government FOR the people, by the people. You work for us, NOT the other way around. Your job is to earn our votes, not steal them. I always expected more out of Texans. I thought we were stronger, maybe not always right, but strong enough to not be cow-towed by anyone else. This attempt to falsely garner seats is cowardice.
