Message:

Hello, my name is Nichole and I am a proud Texan who cares deeply for my community and the people of Texas. The proposed redistricting will harm so many community members, and as your constituent, I urge you, Senators and committee members and any and all folks who have been elected by the people, to listen.

The people are calling for democratic accountability and fair representation, and this proposed redistricting is the opposite of these principles.

Who is hurt by these decisions? Who is hurt by harmful policies? The people, communities, everyday folks.

It's time that Texas representatives TRULY represent what the people of Texas stand for. This is not it. We must do better.
