Message:

The level of blind fealty to Donald Trump that is on display is truly disgusting. What's worse is that he does not deserve it. As a citizen of this state, I ask that you NOT move forward with this redistricting plan. We don't want it and we don't need it. We see what you are really doing. You're trying to rule over us always and with no accountability.

If you suppress the people's will in this way, your comfy position at the state legislature will be reconsidered.
