Message:

The elected officials of Texas should be ashamed at how they're submitting to the whims of not just the federal government, big Lone Star, but to a convicted felon and known sexual predator. It's already horrendous that the governor has forced Tx-18 residents like myself to be unrepresented for MONTHS, but now to attempt to eliminate our representation with an unnecessary, baseless mid-decade redistricting is well beyond the pale. SHAME! SHAME! SHAME!
