Message:

The only reason you are doing this is because Trump asked and that's not a good enough reason. You are taking away the voices of a majority of Texas citizens with this. Texas has already been gerrymandered to hell and back and you just want to make it worse. It's the only way you can guarantee results, not by listening to the people and doing things to help them. If you are going to make laws/vote on things the people don't want at least do it honestly and not by cheating
