Message:

I'm strongly opposed to the mid-decade redistricting bill.  
How in the world do you justify a Congressional Map that spans an 8+ hour drive from boundary line to boundary line? You can't! Just because you can do a mid-decade redistrict doesn't mean you should.  
This entire special session is a sham! It was called on the pretense of addressing solutions that will prevent future loss of life from TX flooding. There are families who have lost everything literally! Their loved ones matter. Those sweet babies matter!  
Shame on you!!! Your job is to serve and protect Texans not Trump. Do your job! Pass bipartisan bills that will protect Texans. Do not pass this redistricting bill out of committee. Vote NO!!
