Regarding: Congressional

Message:

I fully support the re-districting proposal.

I lived on Fort Bliss and still reside in El Paso  
(since 2014).

It's time the military community had better  
representation within this community.

We need a representative who supports the local  
community and military population instead of only  
supporting those on the other side of the  
southern border (which is what we currently  
have).
