Message:

This is clearly disenfranchisement, at best, and racism at worst. Why do Texan leaders take their marching orders from DC? Trump won 57% of the votes in the last presidential election (2024) in Texas. Texas should thereby split it's districts to 57% Republican, 43% Democrat. That's the most accurate way to do this - unless you are trying to subvert the will of the minority.
