

Date: 2025-08-03
First Name: Paul
Last Name: Schultz
Title: N/A
Organization: Self
Address: [REDACTED]
City: Winston-Salem
State: NC
Zipcode: [REDACTED]
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

Redistricting Congress seats so that Republicans can obtain 5 additional seats because Donald Trump is afraid of the 2026 election results reeks of a power grab.

He knows he's cooked in 2026 election and will do anything to remain in power in as abject slap in the face of democracy.

He should be content on being a lame duck president .
