Regarding: Congressional

Message:
I am part of CD-18 which was
gerrymandered in order by
Republicans for their benefit in
getting elected in the areas around
my neighborhood.

I have no interest in being further
gerrymandered to satisfy the thirst
for power by Greg Abbott and Donald
Trump.

Redistricting has been done
following the census. It should be
left alone.

If you are truly interested in
redistricting for the benefit of the
public, your constituents, then
create a NONPARTISAN commission
whose assigned work is creating the
most efficient districts without
concern for party politics.

Otherwise, STOP. Refuse to play the
game with our lives and our voices.
