Message:

Just want to weigh in and say how incredibly proud I am of the Tx House reps who are taking a peaceful and powerful stand against what is obviously an anti-democratic power grab. Yes, I intended to use “little d democratic,” because this redistributing plan is not an attack on the Democratic Party, it is antithetical to democratic principles.

Especially after a legislative session during which the TX GOP chose to subvert the will of Texans on multiple issues (vouchers, the), I am so thankful for these courageous reps for the stand they are taking!

Districts should be created in service of a representative government, not the ego of a wannabe dictator.

This proposed map—and even the fact that we’re devoting a special session to ramming it through (especially given all the ACTUAL LIFE-AND-DEATH-PROBLEMS facing Texans that y’all COULD be addressing instead)—is so gross and embarrassing.
