Texans don't want gerrymandering. Texans don't need gerrymandering. It's a racist practice and skews the votes. Have you considered that maybe it won't be so bad to be a purple or blue state. What are you scared of? Equal rights? Better healthcare? Happier people? Your constituents do NOT want this. Please listen to us. Let the votes do the talking, and if you're voted out, then so be it. Stand up to the wannabe dictator. Stop taking his bribes. Do what's best for US not him. You work for us. We elected you. We will vote you out too if you don't listen. There are consequences for your actions. Do what's right. You know it's not this.
