Message:

I have lived in Congressional Dist. 2 for the last 20 years. Before moving to Texas, I lived in Washington DC./Maryland, and Denver, Colorado. All blue state with excellent transportation system.

Traffic has gotten so bad in Houston that I was forced to work remotely for less pay. Redistricting is not needed in Texas right now.

We need our tax dollars spent on roads, mass transit, affordable housing, schools, food, and the growing epidemic of homelessness. Instead of passing bills to help homelessness, Congress wants to criminalize it.

This is a disgrace to humanity, but we Texans will stand up and fight for justice!

Sincerely
Renetta Parham
