Message:

I am a resident of Briar Meadow Subdivision and we have been notified of proposed redistricting from Austin. Our Houston subdivisions is not that large as it is Hillcroft to the east, Westheimer on the north, West of Stoney Brook but not to Dunvaile and Just south of Richmond Ave. to the south. From the information I received from our city council representative, the proposal is for our subdivision to be reassigned to district - TX-38. I am all right to keep our subdivision in one district. I just want to pass that along to those in the review process.
