First Name: Rosa

Last Name: De Hoyos-Vargas

Title: WCD PC

Organization: Self

Address: [REDACTED]

City: Laredo

State: Texas

Zipcode: [REDACTED]

Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

I am totally against the mid-decade redistricting because it undermines stability, negatively affect our representation, and politicizes a process that should really only occur once per decade, following the census.

This procedure will greatly change the districts and may lead to having a new and unfamiliar representative. Will also destroy public trust and voters will opt not to practice their right to vote. WE need, we deserve consistent and fair representation.
