Message:

I am vehemently opposed to redistricting current districts because the impetus for this expensive and disturbingly unethical decision by Governor Abbott at the behest of President Trump is a prime example of eliminating voting power of Latino and Black Texans. It undermines our democracy and ability for Texans to have an equal and consequential vote in their state and affect the laws that govern them. I ask that you remember the importance of a representative government and to not be swayed to act on behalf of political party or an unlawful president. Please leave our current district boundaries alone and hear and abide by your voters' wishes, the people that elected you, to not redistrict.

Thank you,

Rose Martinez, PhD
