Message:

I am writing to express my strong dissent regarding the proposed mid-decade redistricting in Texas, commonly referred to as "Jerry meandering." This action is a blatant attempt to manipulate electoral outcomes for partisan gain, directly undermining the principles of fair representation and democratic integrity. It is particularly alarming that this initiative was reportedly requested by President Donald Trump himself, pressuring the Governor to engage in what is undeniably a corrupt and unconstitutional activity. This transparent power grab, aimed at securing additional seats for one party, makes a mockery of the electoral process and the will of the people. Such an egregious abuse of power erodes public trust and sets a dangerous precedent. I urge you to immediately halt these efforts and uphold your duty to serve all Texans, not just a partisan agenda.
