Message:
I do not appreciate the gerrymandering of Texas in order to give Trump 5 more seats. Citizens do not yet know the extent of Trump's
participation in the Epstein scandal. Every day, some sordid detail resurfaces or is newly revealed; e.g., his walking into a dressing
room of teenage girls, his self-own 'when you're a star you can do these things to women', his obscene birthday card to Epstein.
Cheating voters on behalf of him is not a good look. He may be able to pull off all these types of antics for a while longer, but normal,
family-minded people like you cannot. Please be mindful of Texas's motto as "The Friendship State". Thank you.
