Message:

I am writing to express my strong opposition to the current attempt to redistrict anywhere in the state of Texas that may favor the Republican Party. Every Texan, regardless of where they live or where they stand on the issues, has the right to make their voice heard. It is the job of our representatives to REPRESENT US and the people who we elect should reflect the ideals, morals, and ideologies of their constituents. The idea that moving lines to make certain groups have less of a voice is unethical, immoral, and frankly it's cowardly! This is a flagrant attempt to rig the system and the flaws in the system that allow this need to be fixed, but for this issue today, do the right thing and allow all voices to be heard equally!
