Message:

The redistricting that Governor Abbott is proposing is unfair and will do nothing but help the Republican party, not make voting more fair for the people of Texas. I wholeheartedly oppose what governor Abbott and the other Republicans are trying to do. It is not right. Rep. Rosenthal puts it quite eloquently. "The effort to change these districts at this time has nothing to do with representing people better. "It's the opposite of that. It's a power grab at the expense of Black and brown communities." Governor Abbott ought to be ashamed of himself. The people of TEXAS are watching carefully.
