Regarding: Congressional

Message:

This is a disgusting, anti-democracy farce. Yall know it, I know it, everyone knows it. This redistricting will actively strip Texans of actual representation in the United States Congress. If the members of the Texas house have any moral backbone and any respect for the great state of Texas, they will stand up against this. Anyone who votes for this should be ashamed of themselves and cannot call themselves true Texans, because in Texas, we stand up for each other, even those we disagree with. We do what is right, and you know this is not. Stop kissing his boot and stand up for real Texans. Vote against redistricting.
