Message:

The proposed redistricting is an obvious and desperate grab by the Republican party to appease Donald Trump. This is a dangerous and blatant level of gerrymandering and a mid decade redistricting cycle is a direct attack on our democracy and leads to dangerous and divisive precedents for other states, both blue and red. Our representatives are elected to act in the best interests of the people of Texas, not in the best interests of themselves and those willing to decimate the Constitution to gain and retain power. We are moving ever faster towards an autocracy and ask that those in elected positions of power ask themselves what side they want to be remembered fighting for.
