Affirm public info: I agree

Regarding: Congressional

Message:

I am writing to express my strong opposition to the recent redistricting efforts in Texas. These changes undermine the rights of countless voters and threaten the foundation of our democracy.

The newly proposed districts disrupt communities and weaken the voting power of many Texans, especially people of color. Rather than reflecting the true diversity and growth of our state, these maps seem designed to benefit politicians instead of the voters they are supposed to serve. Manipulating district boundaries in this way silences voices and makes it harder for citizens to choose representatives who truly reflect their values and needs.

This kind of redistricting is a direct attack on voter rights. It creates unfair advantages for one party, reduces trust in our electoral system, and makes voters feel powerless. Every Texan deserves to have their voice heard and to know that their vote counts equally.

I urge you to reject any plan  
that is unfair or discriminatory.  
We need district maps that  
respect every community and  
protect the rights of all voters.  
The strength of our democracy  
depends on your willingness to  
put the people before politics.

Please do the right thing and  
ensure fair representation for  
every Texan.
