Message:
STOP racial redistricting!
STOP doing Trump's bidding.
STOP following Trump's lead down this
path that DOES NOT make America
great. We were great, no, the greatest
democracy on earth. We are now
headed to being a country ruled by a
dictator who only cares about his own
interests.
He WILL go away and where will YOU
be? Will you be on the right side of
history or will you be remembered as his
flunky? He DOES NOT CARE ABOUT
YOU OR ME! You SHOULD care about
your fellow Texans and this country's
citizens above a misguided, evil man.
