Message:

This “restricting” is blatant gerrymandering and election interference. You know your policies aren’t popular and you’re scared that you’ll lose the midterms resulting in democrats taking back the house, and possibly the senate. If that happens, you will be held accountable for all your lawless acts and that terrifies you.

To clarify. I DO NOT support this abomination of a map. If you would like to redraw maps, I’m on board with that but ask that you hire independent contractors.
