Message:

Please focus on the flood needs in Texas and DO NOT DO NOT DO NOT redistrict. Maps were drawn 4 years ago and are generally done every 10 years. An evaluation is not needed, and is a waste of valuable time that needs to be spent on helping Texans in Kerr County. It is also a waste of valuable taxpayer dollars (MY DOLLARS!).

This is an obvious attempt to win Republican seats and in particular, to change the color of my city -- Houston -- from blue to red. I see all of you and what you are doing in desperation. Just STOP.

Please: DO NOT REDISTRICT.

Thank you!
