Message:

I want to urge you to vote NO to any changes designed to dilute the voices of communities of color, suppress young and working-class voters, and redraw the rules to benefit those already in power. There is no reason to redraw the districts— they were just done! Are you really ignoring the will of the voters and bowing to this would be king? Do your job: Focus on getting a warning system during Texas disasters and emergencies. Redrawing district lines before every election is not representing the people of Texas.
