Message:

There is no basis for the redistricting unless there is a hidden agenda. The government of Texas should take a stand against the DOJ and their claim of racial maps and its call for redistricting. Is Texas racist? Are going to allow the DOJ accuse you of racism? Please do not vote to redraw the maps. Do not support this bill if it arises for the US government agenda. There is no basis. It's not 2031.
