Hello, my name is Sophie! I think redistricting Texas is a major mistake and extremely corrupt. Y'all claim democrats racially gerrymandered but correct me if I'm wrong but wasn't the last redistricting under republican leadership? Just feels like using the democrats as a scapegoat (again). Please please don't redistrict- the new district drawn out are even more corrupt than the last. I'm a young adult and I feel like I'm in a totally different America than the one I was promised. We were promised- OWED democracy. Let the people's voices ring without any manipulation of the system I beg you. I used to be proud of my country and state- I want to be proud of it once more. I am an American, and a Texan I want my voice to be heard
