Message:

I and many of my family and neighbors have lived in El Paso for our entire lives. Here is where we as citizens work, where we play, and where we contribute to the state and to the country. I am strongly against this legislation. The proposed redistricting map is a shameless display of gerrymandering, which is cheating, to rig elections in order to silence the voices of this predominantly Hispanic area. Republicans have used dirty tactics like this for decades, but the absolute gall to not even wait for a census year (breaking tradition, which I was sure the party of “traditional values” would be against) just so they can placate a sickly, diaper-wearing, narcissistic, pedophilic, rapist, lying, white supremacist tyrant is a new low. I don’t imagine that any soulless bootlickers pushing this disgusting agenda are listening, but in case they are: YOU WILL FAIL. You will not silence us. You will not ignore us. You will not keep us down. And most of all you will not be forgiven for the injustices you have wrought on those which you’ve been elected to serve.
