Message:

Stop the Republican cheat bill. If they get away with this super-sized gerrymandering bill this country will slowly implode. Find a way to win the hearts and minds of the people, instead of ignoring them and coming up with ever more obvious ways to cheat. Stop kissing the ass of a con-man from New York doesn't give a damn about anyone but himself and how much more money and power he can grab. Grow a spine and do what's rightt!
