Message:

To the Members of the Texas Senate,

I am writing to express my deep opposition to the current redistricting efforts and other activities that blatantly disregard the Texas Constitution and threaten to erode the foundations of our representative democracy. The use of political strong-arming, including the outrageous threat to arrest Democratic legislators, is not governance, it's authoritarianism in disguise.

This is not how our state or our country is meant to function. Public service is not about manipulating the system to maintain power; it's about listening to the people you represent. The rules of our Constitution are not yours to bend. You do not get to rewrite the process when it no longer serves your political ambitions.

These actions violate not only democratic principles but also the core values Republicans claim to stand for: limited government, the rule of law, and individual liberty. This kind of political brinkmanship serves no one. It is not a win for any side, only a loss for all Texans.

Respectfully,

Stephanie Scheller Dupre
