Message:

I want to make very clear that I am completely against the current effort to redistrict Texas. I have been a Texan for over 50 years and I both deserve and demand the right to representation in Congress! The efforts to redistrict the 35th, 37th and other districts at this time is a blatant, self-serving and undemocratic attempt to deprive me and many other Texans of this right!! It is the responsibility of our State Legislators to fairly represent ALL Texans!
