Message:

This disgraceful redistricting move by the Texas GOP to reduce the voting power of Texans who are not Republicans, must stop now. Your actions to gerrymander the voting districts of so many Democrats, including a LOT of brown and black voters, in order to follow the dictates of the anti-democratic and corrupt Donald Trump is shameful.

Why are you following the ORDERS of Donald Trump, who cares not a whit about Texas or Texans, except that your actions might help him not get impeached, or his ridiculous actions be overturned.

He is not a Texan, and if you care more about what he thinks, than what I and my neighbors do, then you are not fit to represent Texans, either.

Your egregious actions will simply make me, and my friends, fight harder to take Texas back from the brink of its own Trumpian autocracy you seem to prefer to representative government.

Trump doesn't care about Texas. Do you?
