Message:

I urge you to reject redistricting of our state at this time. This is outside our norms regarding redistricting. There has been no influx of new residents into any part of Texas that would warrant a change in districts. Redistricting now adds to public confusion regarding their representation and undermines faith in our state's commitment to free and fair elections. This out-of-cycle redistricting moving smacks of bending the knee to a president who cares not what the American people or most Texans want.

In the name of fairness, non-partisanship , and state independence from presidential pressure, I ask that you do not redistrict our state before the results from the next U.S. Census.
