Message:

Dear Members of Congress,

Thank you for your service and your attention to the redistricting issue. Texas has gained Congressional seats and redistricting is a necessity. We are a Republican state, and our districts should reflect the will of the people. Eight states have zero Republican districts, three states have only 1 Republican Congressional seat and four states have anywhere from 2-5 Congressional districts. There is only one state that has zero Democrats in Congressional seats.

Why can't the will of the people be honored? Respect the people's decision and redraw the lines for US Congress.

Respectfully,

Susan Valliant
