Message:

All Texans have the right to fair and equal representation no matter where we live.

I oppose any mid-decade redistricting—especially while the current maps are still being challenged in court.

Instead, we should be prioritizing flood recovery efforts and the safety of Texans. That's all this special session should be about. Stick to the critical issues, the life and death issues. Honor the Texans, whose lives were lost in this most recent disaster and make changes that will help avoid this tremendous loss of life and property in our great state.

Thank you for doing the right thing.
