Message:

Hello, my name is Tawana Hollie, and I am a constituent in zip code [REDACTED]. I am writing to demand my rep oppose redistricting efforts, even though you may support it. I do not support this agenda as it is not fair representation of my district. We are not due for new maps until 2031, and this is not right.” It’s that simple. Forcing this issue to serve a selfish political agenda instead of what is best for the people you represent does nothing to show you respect and value your constituents.
