Please support Redistricting Plan C.

Also, please pass SB 5 THC ban. What devastation has been unleashed on our innocent children. Parents who want products w THC need to move to CA or CO.

Pass SB 12 prohibiting taxpayer funded lobbying. We have family in Houston - why are they forced to subsidize lobbying by the city, the police department and numerous other public entities?

Pass SB 11 to restore our AG's ability to prosecute voter fraud. There are good reasons to re-authorize the AG power. The original reason for the state prosecuting these crimes is to remove the conflict of interest and corruption by local authorities who are generally aligned with the wrongdoers. Take back our rights as voters to have fair elections.
