Title: N/A
Organization: Self
Address: [REDACTED]
City: Henrietta
State: TX
Zipcode: [REDACTED]
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

This "special" legislative session was called using the deaths of children killed by the inaction of our governor to enact any safety measures while he was too busy playing political games as a smoke screen for a disgusting political scheme to change maps 5 years early in order to dilute the votes of Texans.

It is disgusting, transparent, and possibly criminal. Vote "No!" to changing any maps half a decade early in order to steal votes for the Midterms next year.
