Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

The corrupt redistricting to steal the election is an abomination. None of you have upheld your oaths to the American people. Those who enable the lying tangerine treasonous traitorous, convicted felon terrorist are spineless and nutless- to be blunt. You all are an abomination and have failed the Consitution of the United States, our Democracy and more importantly, our people!
