Message:

Republicans, you are fooling no one with an ounce of intelligence! Redistricting has always been done at the set interval of ten years post census. It's logical, its fair it's DEMOCRATIC! Clearly you are running scared and want to jump ahead and falsely secure your party's control. That is not Democratic. I identify as neither Republican or Democrat. I vote my conscious, which happens to be influenced by my Christian values. Values that you feel it is your God given duty to cram down every American throat. That wrecks of fascism. Jesus never forced his teachings on anyone! Shame on you! Your actions are destroying our democracy! Your legacy will go down in history as the party that collapsed the Empire that is the USA. Nations fall when they are taken over by outside aggression. Empires fall from within. Your position does not serve at the pleasure of the President. Take the rings out of your noses and represent the people of your district - ALL OF THEM! If you don't like the people in your district, then move! Preferably out of the state!
