Message:

I am asking you to do the right thing for the Texans you serve. We are your employers. We demand fair and equal representation. If we are denied that right at the ballot box, we should not be obligated to pay taxes without representation. This is a political move with no rationale or logic to explain otherwise. We are tired of the games in Texas to keep the voting districts majority Republican. The gig is up. Your time is limited if you allow this to happen again. You will be voted out. We will not stand by anymore and do nothing. Now is the time to stand up for your constituents. It's now or never.
